

Peak Golf Academy ADULT Spring 2023

This 5 week adult programming will help golfers of all skill levels. If it's your first time trying golf or you have played for years this is the program you want to join. We will cover the basics of how to swing the club if needed or getting out on the course for the first time and playing your best golf ever.

Our last class will be 2 hours class as we will get everyone out on the course and overcoming any of our fear we may have.
